- Genderless

## BOTH | NEITHER | BLEND | BLUR

Genderqueer is a term representing a blurring of the lines surrounding society's rigid views of gender identity. Genderqueer people embrace a fluidity of gender expression that is not limiting. They may not identify as male or female, but as both, neither, or as a blend.

## Queering Gender

Ambiguous, unknown or undefinable  
Not exclusively masculine or feminine  
Not exclusively male or female  
Blend, combination, overlap  
Neither or none at all  
Multiple genders  
Outside the gender binary

## GENDER FUCK...

- Does not subscribe to conventional gender distinctions
- Blurs, bends, or "messes with" expected gender roles
- Sends mixed messages about sex and gender
- Defies or disrupts gender norms and sex role stereotypes
