**SAFE ZONE PROGRAM**

## **SCENARIOS**

### **What Would You Do? What is Your Best Response?**

#### **SCENARIO 1**

You are a teacher, advisor or staff member. A student comes to you in private to confide in you that he is gay. How do you respond?

#### **SCENARIO 2**

You are a teacher. During a class discussion, one of your students makes an offensive remark about LGBT people. What should you do in this situation?

#### **SCENARIO 3**

You are a straight student. Another student tells you that he saw you with a group of gay students and asks if you are gay? How do you respond?

#### **SCENARIO 4**

You are a straight person. Someone whom you know is gay attempts to flirt with you. How do you respond?

#### **SCENARIO 5**

You are an advisor in a women's residence hall. One of your residents complains to you that she is not comfortable living in the same environment with residents she knows to be lesbians. How do you respond?

#### **SCENARIO 6**

You are a faculty or staff member. One of your students tells you that he saw two male students sitting on a bench on campus displaying some mild forms of affection in public. How do you respond?

#### **SCENARIO 7**

You work in an office on a very diverse campus. Lots of students visit your office on a regular basis. What could you do to foster an environment of inclusiveness?
