

When Life is Good Again

**When life is good again, I'll be a better friend,
A bigger person when, Life is good again.
More thoughtful than I've been, I'll be so different then,
More in the moment when, Life is good again.
I'll open up my heart, And let the whole world in,
I'll try to make amends, When life is good again.**

**We've been brought to our knees, We've been so ill at ease,
There are no guarantees, But you know life goes on.
This too shall pass away, Bring new and different days,
We need to change our ways, And right our wrongs.
Let's open up our hearts, And let the whole world in,
Let's try to make amends, When life is good again.**

**I'll open up my doors again, And hear the message in the wind,
Repent of all my sins, When life is good again.
I'll try to be someone on which you can depend,
A helping hand to lend.
Let's open up our eyes, And see what's going on,
If we're to move along, From where we've been.**

**If you want rainbows, you get rain, We'll all be forever changed.
I'll sail my boat and fly my kite, Walk in the park, go out at night.
Hold my loved ones extra tight, When everything is on the mend.
I'll have a drink with my old friends, Sing and play my mandolin.
We'll make it through this long dark night,
Darkness fades when faced with light.
And everything's gonna be alright, When life is good again.**
